MACHINING, SCRAP RECLAIM, REPAIRS

- **MetalBrick**
metal chip & swarf handling solutions
increase scrap price
remove EPA issues
- **McBroom Electric**
servo repair
spindle repair
motor repair / programs

TOOLING, COATINGS, DESIGN, MANAGEMENT

Die Therm Engineering LLC

- **Turn Key Tool**
up to 1600T dies, trim dies, & details
- **DCS Offshore**
offshore sourcing, program mgt, modeling, 3D & 2D design
- **Die Therm**
thermal design controls and software, Huge ROI
- **Ionic Tech**
ion nitriding
various steel coatings
PVD Coatings
cryogenics
lab services
vacuum heat treating

EQUIPMENT, FURNACES, REMANUFACTURING

- **Striko Dynarad**
stackmelters
westomat dosing furnaces
crucibles
melters / holder
- **Metal Mechanics**
trim presses (new, used, reman)
- **Industrial Innovations**
sprayers
manifolds
nozzles
valve packages
proportioning units
- **Integration Tech.**
DCM (reman, controls, linkages, training, service, integration, retrofits
shot ends
- **Frech USA**
new DCM (cold and hot chamber)
turnkey cells

QUALITY CONTROL, FOUNDRY SUPPLY

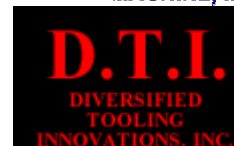

MARK INDUSTRIES

Dy-Kast Supply

- **Fondarex**
vacuum systems
chill blocks
- **Robamat**
oil/water units
- **Mark Ind.**
x-ray machines
- **Dy-Kast Supply**
complete line of supplies for casters and foundries

SHOT END COMPONENTS, HOT & COLD CHAMBER

- **Hildreth Mfg.**
shot tips (new, reclaim)
chill blocks
- **Brach Machine**
shot rods
couplings
goosenecks
HC & CC components
- **Diversified Tooling**
shot sleeves (new & refurbished)
